

95 POINTS ratebeer

Schloss Eggenberg Samichlaus Classic

The once strongest beer in the world is back! (14%) Brewed only once a year on December 6. Samichlaus is aged for 10 months before bottling. **This beer is perhaps the rarest in the world.** Samichlaus may be aged for many years to come. **Older vintages become more complex with a creamy warming finish.** Serve with hardy robust dishes and desserts, particularly with chocolates, or as an after dinner drink by itself.
