

12 Windisch Piesporter Goldtroepfchen Riesling Spatelese 2014

"Made of 100% Riesling grapes from Piesporter Goldtroepfchen, Mosel, this Riesling Spatelese is a genuine example of fine traditions and rich German quality. The combination of this grape with the slate soils is what makes Mosel wines so breathtakingly delicate. Lower in alcohol and high in acidity, the wines are still balanced with the rich flavors of Riesling and the slate flavors from the soil."
