BREWERY INFO: Brauerei Aying has a long-standing reputation for excellence in beer and hospitality. Although Aying Brewery was founded in a picturesque village 25 kilometers from Munich in 1878, the site of the Aying Gasthaus Brewery Hotel has been one of Bavaria's most famous restaurants for more than 500 years.

In the shadow of the Alps, nestled in the 1200 year-old village of Aying (pronounced eye-ing), Brauerei Aying produces 12 different styles of beers, more than most of the larger breweries. The Aying Brewery has been owned and operated by the same family since 1878 and represents one of the most pleasant and interesting small breweries which are typical of Europe. Brewing good beer is the premier duty of Aying, and people come from all over the world to sample the wares.

In a land of wonderful breweries, Aying is considered a benchmark of excellence. In recent years, Aying regularly places first in every category entered in the World Beer Championships; the brewery has gold medals from the European Beer Star, the Helsinki Beer Fest, the Stockholm Beer & Whiskey Festival, the Calagary Brewfest, and the Deutsche Landwirtschaftsgesellschaft (German Agricultural Society). In January 2015, ratebeer.com listed Aying as the "best brewery in Germany" based on thousands and thousands of consumer rankings.

INFO: Wheat beer has always been known as an elixir or tonic, especially if the brewer's yeast was left in the bottled beer. A very popular beer style, in Germany and around the world.

TASTING NOTES: Pale color, hazy; with a huge rocky head. Inviting and perhaps a bit tart in palate, this is "brut" beer with a delicious, smooth body from a grist bill of about 60% wheat. Flavor and aroma show the characteristic Aying elegance and perfect balance. Finishes with a subtle spicy, fruity note from a traditional Bavarian weissebier yeast strain - some tasters find they are reminded of cloves or ripe banana.
