# TUCHER

## DUNKLES HEFE WEIZEN

**Style:** Dunkelweizen

**Origin:** Nuremberg, Germany

**Description:** Where many of its competitors release similarly-flavored dark wheat beers, Tucher's iconic Sapienza yeast allows for Helles Dunkelweiss to retain the nuttiness expected from the style, while allowing for a bouquet of bright fruit notes to shine through. Hints of date and lemon provide for a wider pairing range, with the roast to hold up as the menu turns to the spoils of an autumn hunt.

**Flavor/Aromatic Profile:** Date, Lemon, Caramel, Hazelnut

**Pairings:** Blood Sausage, Roast Pork, Stewed Game, Bananas Fosters

**Availability:** Year-round

**ABV:** 5.2%
