Mâcon Verzé 2025

“Raised six months in 90% stainless steel and 10% neutral French oak, the 2025 Macon-Verzé is a beautiful, juicy, and complex Mâcon-Verzé. **Exotic stone and citrus fruits intermix with honey, flowers, and spicy nuances** on the nose, and it's rich and medium-bodied on the palate, with a round, supple, nicely balanced mouthfeel, clean and nicely integrated acidity, and a great finish. It's another impeccably made white from this vigneron. Drink 2026-2032.”
