JEB DUNNUCK

Domaine Ellevin Chablis 2024

“More white flowers and exotic notes emerge from the 2024 Chablis, another crystalline, focused Chablis. **Stone and citrus fruits, medium body, a focused, layered, elegant mouth-feel, and integrated acidity** all define this incredibly impressive 2024 that has so much to love. It should keep for at least a decade. Drink 2026-2036.”
